3. Club Membership Programs

Our programs are designed for both recreational Athletes who want to have fun and gain artistic swimming skills, as well as competitive Athletes who want to compete at the highest levels of the sport. We welcome boys and girls ages 6+ to learn artistic swimming techniques and routines, and gain self-confidence and discipline in a nurturing team environment. Our Athletes train year round with one month off for Summer and Winter break respectively. Summer and Winter Camps may be scheduled during the break and paid a la carte. Athletes that are interested in recreational synchro will train as routine alternates, learning all of the skills and choreography, but not participating in competitions.

Swimmers may book private lessons with coaches outside of practice time and use their own pool. Coaches set their rates for private lessons. We ask that the swimmer/coach make the board aware of the private lessons.

- 3.1. NOVICE. This program is designed for young Athletes who are interested in incorporating their love of the water with dance, gymnastics and performance. Athletes focus on the basics of artistic swimming such as eggbeater, sculling and body positions that will culminate in a team routine. Novices practice 2 days per week (4 hours) and participate in novice meets as well as our annual watershow.

- 3.2. INTERMEDIATE. This program is for Athletes who love artistic swimming and want to improve their skill level, but might not be ready or able to make the full commitment required for the competitive team. These athletes practice 3 days per week (6-8 hours) and participate in local and regional competitions as well as our annual watershow.
- 3.3. AGE GROUP. This program is designed for athletes who are passionate about artistic swimming and want to go as far as they can in the sport. This includes Youth and Jr/Sr Age Groups. At this level, the athletic training and competition schedule is quite rigorous. Athletes develop strong bonds and friendships with their teammates and have a lot of fun together performing and practicing. Depending on team placement, competitive athletes practice 3-5 days per week (10-20 hours) and compete in local, regional and national meets. Additional strength and flexibility training is required, as well as acrobatic instruction to enhance lifts. Select athletes in this program will also perform as entertainers at shows for local business events or other functions.

Athletes in Age Group are eligible for Independent Study PE credit if their school allows it. Please contact the Board Vice President and/or Head Coach at least 30 days prior to deadlines in order to organize ISPE. A fee of \$50 will be required for the Head Coach to complete the application.

8. Athlete Code of Conduct

The SDSD Code of Conduct establishes an understanding of Parent, Coach, and Athlete responsibilities to facilitate compassion, set clear expectations, and prevent miscommunication. The following are expectations of Athletes:

8.1. Athletes will arrive on time and prepared for every practice. This includes arriving in the

appropriate attire with equipment and sunscreen on. Routine tardiness may result in the Athlete being moved to the alternate position on their team.

- 8.2. Athletes will communicate absences with their coach by emailing or texting the Head Coach and their team coach at least 72 hours ahead of time. Last minute absences are allowed only in case of emergency. Athletes are allowed one planned absence per month; additional absences may result in the Athlete being moved to the alternate position on their team.
- 8.3. Athletes are expected to complete the entire season including attending all competitions unless they have communicated that they are participating recreationally. If unable to attend a competition or planning on leaving the team, the Athlete must notify the Head Coach and coaching staff a minimum of 30 days prior.
- 8.4. Athletes are encouraged to advocate for themselves through communicating their needs to coaches.
- 8.5. Athletes will demonstrate respect for all coaches. Regardless of whether or not they are your team coach, Athletes will listen to and follow directions respectfully as mentored and guided by all coaches.
- 8.6. Athletes will display good sportsmanship in representing SDS. This includes encouraging and respecting all Athletes, both on the team and throughout the wider artistic swimming community.
- 8.7. Cell phone use at the pool and during competitions is not acceptable. Athletes may only use their phone at the pool or during competitions for urgent needs per Coach discretion. Non-emergency use of cell phones may result in confiscation.

9. Parent or Guardian Code of Conduct

The purpose of the Parent or Guardian Code of Conduct is to develop parental support and positive models for our Artistic Swim Club Community. Parents have the right to understand what expectations are put on their Athletes.

- 9.1. Club communication must be conducted through the Head Coach, Vice-President and/or President.
- 9.2. Any concerns should be raised with the Head Coach first, and then to be further discussed with other coaches and parents, if necessary. When possible, parents should encourage their swimmers to advocate for their needs prior to stepping in.
- 9.3. In order for coaches to conduct productive training sessions, parents are only allowed on the pool deck if sitting in the bleachers. Parents are not to distract or disturb their Athletes unless in an emergency.
- 9.4. Parents should encourage Athletes to respect all coaches. While coaching styles may

be different, all coaches must be respected. Please model this behavior by respecting the decisions of coaches.

- 9.5. Parents are responsible for dropping off and picking up their Athletes on time and ensuring they are prepared with all necessary attire and equipment.
- 9.6. Parents will ensure that Athletes communicate absences with their coach by emailing or texting the Head Coach and their team coach at least 72 hours ahead of time. Last minute absences are allowed only in case of emergency.
- 9.7. Some practices are challenging and some are more fun. Please know that both are equally as important for the development of your Athlete. Parents are asked to encourage their Athletes to approach all training sessions and competitions with a positive attitude, focused and respectful Athlete ethics.
- 9.8. Athletes are expected to complete the entire season including attending all competitions unless they have communicated that they are participating recreationally. If unable to attend a competition or planning on leaving the team, the Athlete must notify the Head Coach and coach a minimum of 30 days prior.
- 9.9. Parents should notify the club of any injuries or medical conditions that may affect their child's participation in practices or competitions.
- 9.10. Parents are responsible for ensuring their Athlete's Membership fees and financial obligations are paid on time. Failure to do so will result in late fees.
- 9.11. Parents are responsible for ensuring their Athlete reads and follows the code of conduct.
- 9.12. Parents will maintain Club information discretion and will not share, discuss or sell any Club information, or Club Coach and Member personal information to anyone.
- 9.13. Parents are expected to volunteer throughout the season including assisting with pool covers and hair/makeup during meets.

Communication You Should Expect from Your Child's Coach

1. Information about the coach(es) specifically working with your child.
2. Discipleship plan the coach plans on implementing throughout the season.
3. Expectations the coach has for your child.
4. Location and times of practices and competition meets.
5. Team requirements, i.e. fees, special equipment, off-season conditioning, specific team rules.
6. Procedures should your child be injured during practice or a competition meet. Discipline procedures that may result in the denial of your child's participation.

Communication Coaches Expect from Parents

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concerns in regards to a coach's philosophy and/or expectations.
4. Specific medical problems that could adversely impact your child's performance or safety.

Appropriate Concerns to Discuss with Coaches

1. The treatment of your child mentally and physically.
2. Ways to help your child improve.
3. Concerns about your child's behavior.
4. Family concerns that may have an emotional impact upon your child and his or her athletic participation.

It is very difficult to accept your child's not performing or competing as much as you may hope. Coaches make judgment decisions based on what they believe to be best for all of the Athletes involved. As you have seen from the list above, certain things can be and should be discussed with your child's coach. Other things, such as the following items, must be left to the discretion of the coach.

Issues Not Appropriate to Discuss with Coaches

1. Performance or competition time, team strategy, substitutions and other Athletes
2. Other members of your Athlete's team.

Unacceptable Contact with Your Child's Coach

1. Prior to and during practice.
2. Prior to, during, or after a performance or competition. These are typically either very busy times

or, in the case of a competition, emotional times for all parties involved. Things can and will be said that are not meant. Meetings of this nature do not promote resolution.

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both parties have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution.

It is of utmost importance that the proper chain of command be followed. Though we understand your desire to talk with the Head Coach or Administration first, those phone calls first will be referred to the appropriate coach.

If You Have a Concern to Discuss with a Coach, This is the Procedure You Should Follow:

1. Call and email the coach (during an appropriate time) to set up an appointment.
2. If the coach cannot be reached, call the Head Coach and President and Vice President to help schedule the meeting.

What Can a Parent Do If the Meeting with the Coach Did Not Provide a Satisfactory Resolution?

1. Call and set up a meeting with the Head Coach and President and Vice President to discuss the situation.
2. At this meeting the appropriate next step can be determined.

10. Travel Policies

- 10.1. Use the buddy system - no one goes anywhere alone!
- 10.2. Never go anywhere without telling your chaperones or coach. Even if it is with your own parents, your chaps and coaches need to know!
- 10.3. Chaperons or Coaches will assign cars for travel to and from the pool. Please be flexible with whose car you are in. You don't need to ride in the same car as your backpack, as we are all going to the same place.
- 10.4. Cell phone policy: Cell phones are not permitted for use of social media, texting, or calling unless it is the time designated in the schedule or per coach discretion. Cell phones are not to be used at the competition pool.
- 10.5. Chaps will provide you with food and drinks. Remember to make healthy food choices in order to perform at your best. If there is anything you need just ask, they are there for you!
- 10.6. You will be receiving a packing list from the Head Coach. Athletes should pack their own backpack with the assistance of an adult. Please pack only the things on the list, space is limited. You will also be provided with a uniform schedule - it makes things easy if you pack each outfit in a zip lock with the date on it.
- 10.7. Athletes are expected to abide by the schedule provided. This includes bedtime which may be different from rules at home.
- 10.8. Please put the needs of your teammates above your own needs whenever possible.
- 10.9. You are representing SDSO, your family, and yourself at all times, so make us proud of you! Cheer for every team, treat all coaches with respect, and demonstrate good sportsmanship.
- 10.10. Please bring any issues to the attention of the Head Coach immediately so they can be handled in an open and accountable manner. No issue is too small!
